CompSci 367/761 ASSIGNMENT 2: TRAVELLING SALESPERSON
PROBLEM (TSP) : FINDING OPTIMAL TOUR
ADDENDA 1.0 6 August 2019

1 INTRODUCTION TO ADDENDA

This document is the addenda to the different parts of the assignment document. The addenda either corrects or clarifies part of the assignment description.

2 ADDENDA FOR PHASE 1 DESCRIPTION

Clarifications:

- page 2, top of page: where *SolutionPath* is described, the following sentence should be added "Unlike the input varaible 'Path', 'SolutionPath' is a list of cities IN THE ORDER they are visited, whereas 'Path' is in the reverse order."
